

„Thank you so much, that we can go to school every day with your help. May God bless you.“  
Dianah, 11 years

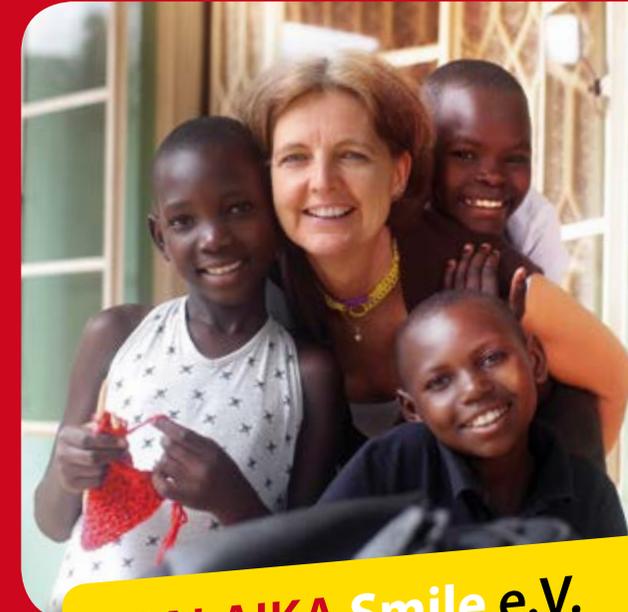

NOW, perhaps together with you, sowing the seed, planting a tree, which will be nourished by great, huge but also small and tender roots, whose big and tiny branches and sprouts, whose leaves breathe freedom, providing room light and confidence sweeping up people hearts endlessly!

## MALAIKA Smile e.V. supports and promotes children in Uganda, a country in Central East Africa

- WE have founded an organization of the same name and support a house in the the capital Kampala in 2017, where **25 children** are given the opportunity to live and grow up in a safe and human-centered environment.
- WE are in constant personal contact with the responsible persons and children from MALAIKA Smile in Uganda and have **experienced the local circumstances**.
- WE are in the lucky situation to provide and finance **education** for the children of the slum and village community.
- WE care for balanced **nutrition, medical care, immunization** protection and **sanitation and hygiene** standards.
- WE promote the **individuality** and **independence** of the children and help them to discover and develop their **own potential**. So they will develop inner stability and will be able to establish their **own professional base – self-confident** and **sustainable**.
- WE are convinced that the world of tomorrow can become a better place, if people receive **education** and can be **creative**. Then they get the chance to **participate** in this world and **shape it actively**.
- WE are convinced that people from developing countries **won't become refugees**, if they receive support, promotion and education – in a familiar environment, within their own country considering their culture and religion.
- WE guarantee that every donation will be applied **directly, completely** and **exclusively** for MALAIKA Smile. We administrate the funds, considering each cent – reliable and secure.
- WE act **transparently** and inform in our homepage, speeches, sponsor meetings and circular e-mails on a regular basis.

**Uwe and Christine Irtenkauf** with **Alex** (l) and **Joseph** (r), both grew up in Kampala, have absolved academic studies and are responsible for **MALAIKA Smile** in Uganda.

Our supervisors **Joseph** Wandega and **Alex** Ssekabira take personally care of the children, together with a female cook who cares lovingly for their well-being, **health, education** and **development**. Deep-rooted in the Christian faith these people gratefully accept our help and develop new perspectives - not only for themselves but in the long run also for their families, for their city, their country and finally for the world community!

Your **donation**, give the children **hope** and **confidence** for a **future** in their **home country** and you give yourself the **greatest present** by getting the positive feeling of having done **something that makes sense**.
